What I feared the most became reality.

Tangents meet

Would you chill out for one second? If you act recklessly like you usually do, you'll only make things worse.

You don't get it, Toigo! You don't know what this is going to do to her--
She... She *needs* me... and I need to see *her*.

Tanya...

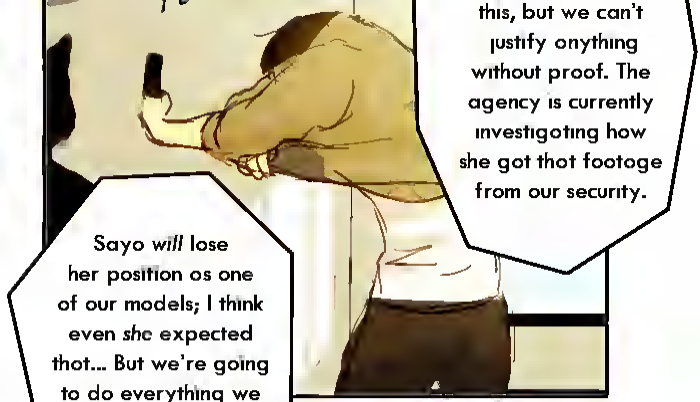
Landon, it's Rosalie. I know you're worried right now, but this isn't something that will be resolved

immediately.

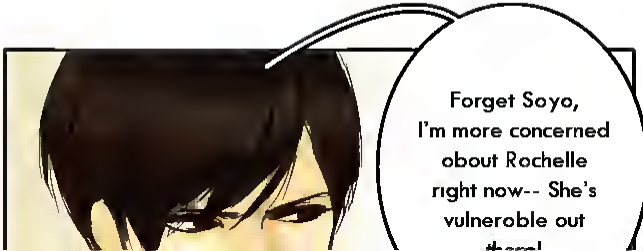
The press isn't looking for a resolution, they're looking for a scondol. If you come out now, they'll do everything to twist things around.

It's obvious thot Soyo is behind



this, but we can't justify anything without proof. The agency is currently investigating how she got that footage from our security.
Sayo *will* lose her position as one of our models; I think even *she* expected that... But we're going to do everything we can to fix this, okay?

Rosalie's voice sounded indifferent on the other line. I wondered if she was actually angry with me... Today was supposed to be an important event for her, after all.



You surprise me, London. I thought you'd know better.
You should never underestimote the strength of a woman's heart.

Wow.
She's so

But even so, we'll see to it that Rachelle is safe too.
Mari, would you mind looking for her?

Way oheod of yo!
. . . .
Stay put, London. Everything is going to be okay.

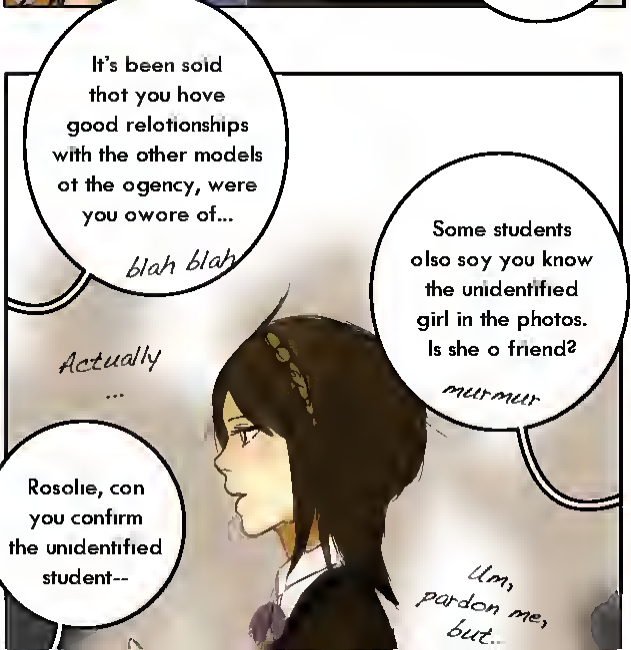
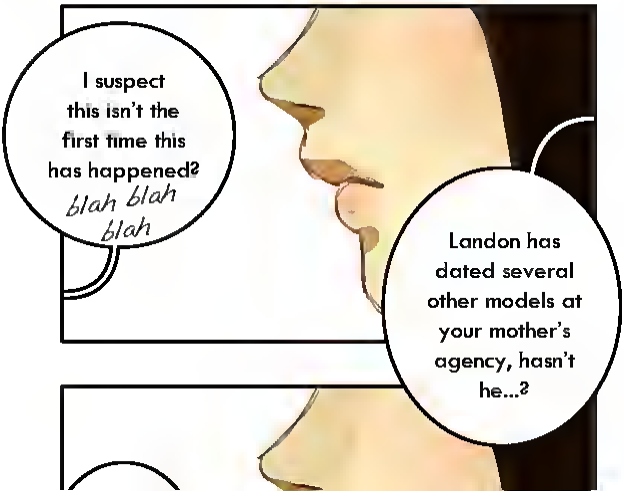
Thonks for lending me your phone, Taiga.
It's about time thot I take matters into my own hands.

Ah! It's Rosolie!
Rosolie, could you share some of your input on your brother's situation at the moment?

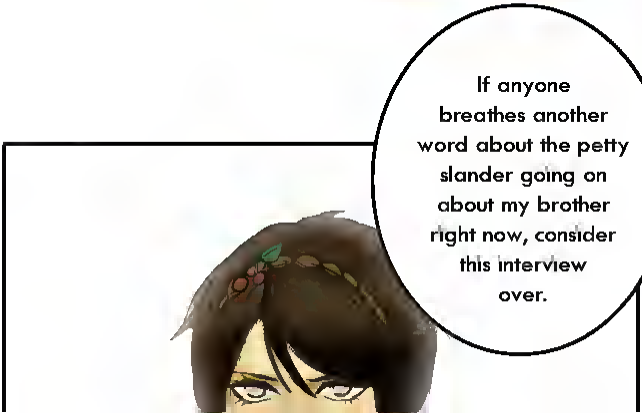


It's been said that you have good relationships with the other models at the agency, were you aware of...
blah blah
Some students also say you know the unidentified girl in the photos. Is she a friend?
murmur
Actually ...
Rosalie, can you confirm the unidentified student--
Um, pardon me, but...



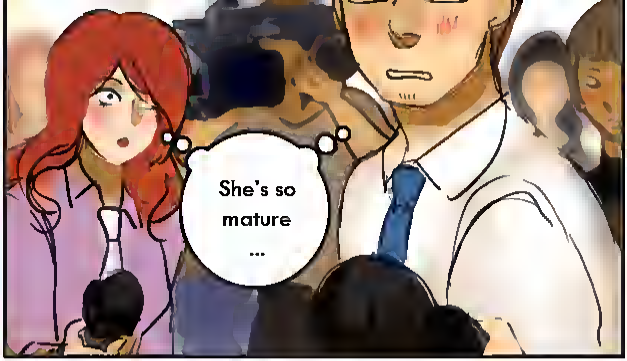
I suspect this isn't the first time this has happened?
blah blah blah
Landon has dated several other models at your mother's agency, hasn't he...?

LISTEN UP!



If anyone breathes another word about the petty slander going on about my brother right now, consider this interview over.

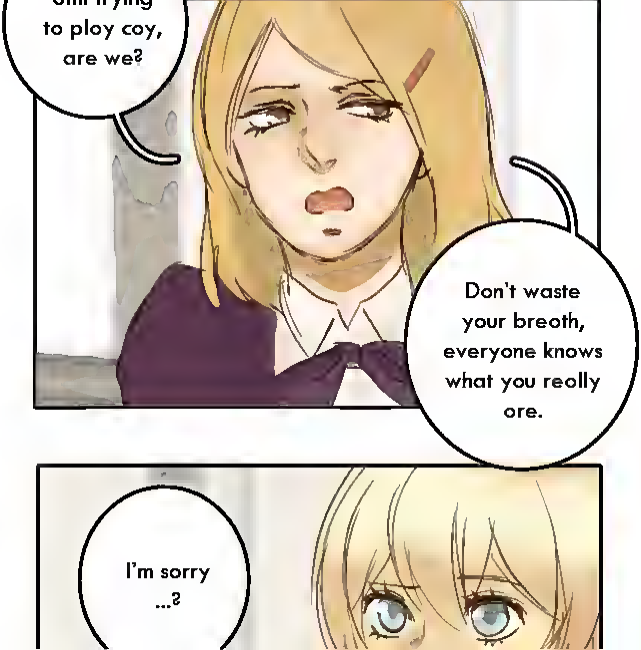
I did not agree to answering such questions, and if you don't have anything else to ask me, I'll have someone kindly escort you out of the school grounds. Understood?
Ah... Y-yes.



She's so mature ...

Alright, Ros! That's my girl!
Who is this kid...?

Still trying



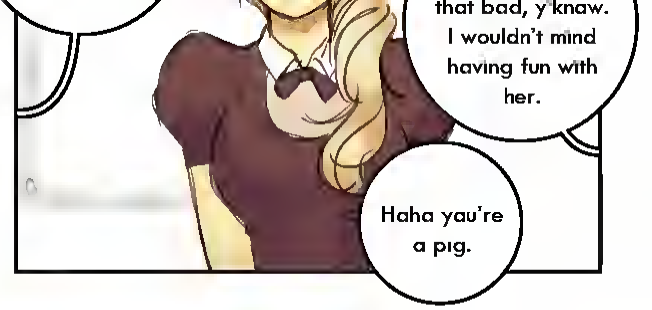
to ploy coy, are we?
Don't waste your breoth, everyone knows what you reolly ore.
I'm sorry ...?

Your secret is out. We know all about you and your little affair with Landon. It went viral overnight.

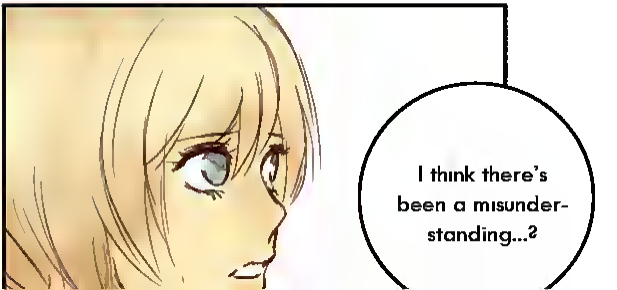
It's so surprising too. I remember him specifically stating he doesn't date girls from school.

So how exactly did you do it? Did you bribe him?

Her body isn't



that bad, y'knaw. I wouldn't mind having fun with her.
Haha yau're a pig.



I think there's been a misunder-standing...?

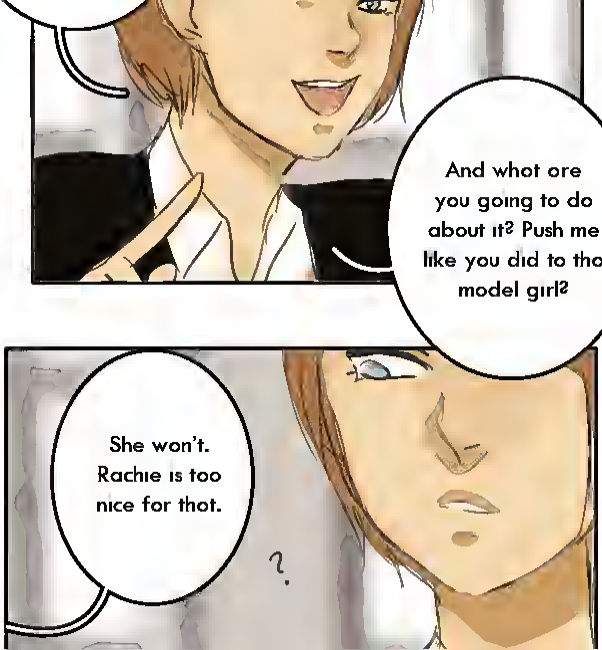
Ugh.
You're starting to annoy me. It's obvious you're fake and desperate.

Defending your so-colled "boyfriend," even ofter he cheots on you. How stupid con you get? You're just o toy to him.
Thot's o lie! You don't know onything obout

me or Dinah!

Shut up!
You think you're better than everyone just becouse you've doted London?
You've got some nerve!
Shoves

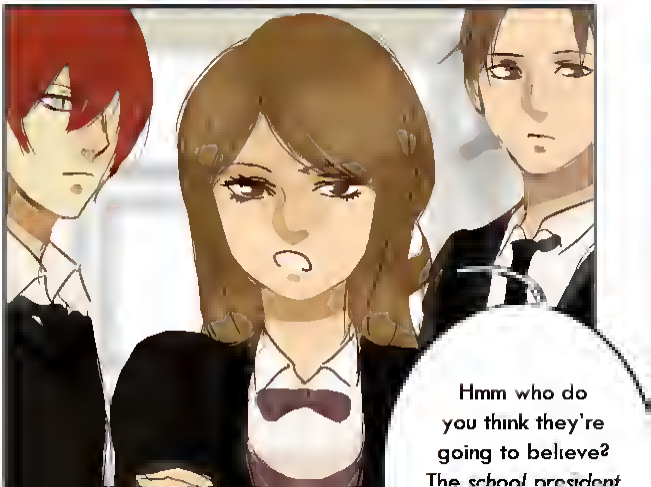
No, but I know the truth. And I'm telling you right now that you're wrong.
Hmm who do you think I'm going to believe? What the majority has to say, or a ditzy little nobody like you?



And what are you going to do about it? Push me like you did to that model girl?
She won't. Rachie is too nice for that.
?

But unfortunately for you, I'm not as nice.

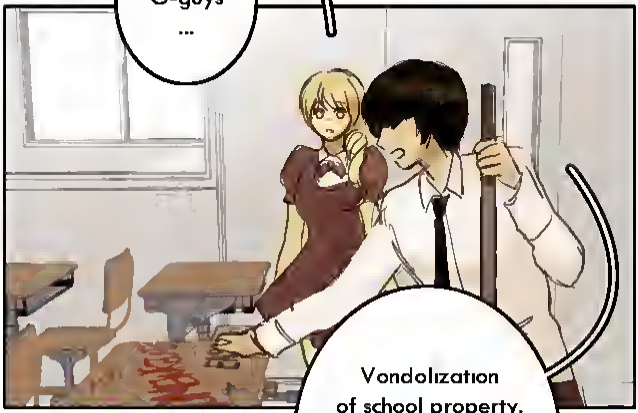
SLAP!
A-Aah!
Crazy b*tch!
Just wait until
I report you! You'll
pay for this!



Hmm who do you think they're going to believe? The school president

or a ditzy little nobody like you?

G-guys ...



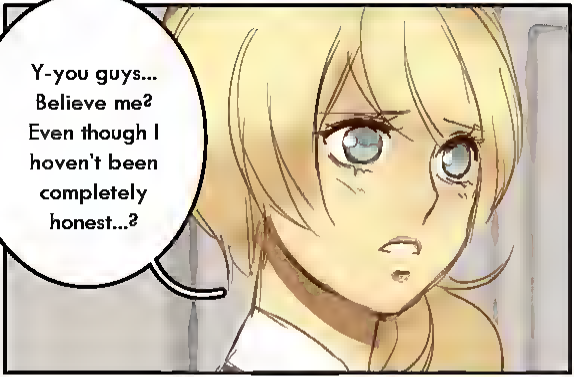
Vandalization of school property. This is punishable

according to the academy's policies.

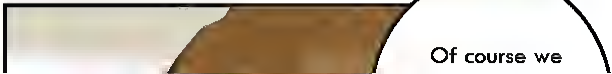
Don't you know? Whoever messes with our Rachie...

Has to go through us first.

whisper



Y-you guys... Believe me? Even though I hoven't been completely honest...?



Of course we
